For Functions during our Normal Opening Hours we reserve the right to continue normal Wine Tasting and Sales.

The Café food service (if space allows) will also continue.

Due to proximity of neighbours & legal noise requirements we will request that the penetrating sound (mainly Bass) be turned down on music at 10.30pm, and we will need to monitor this at our property perimeters. No Music to continue after Midnight. We request patrons on departure keep noise to a minimum to respect our neighbours.

We request that you remove any equipment you have left after the event by 10.30am the next day to allow reopening of the Cellar Door at 11am. This can be negotiated if space and circumstance allow for storage and collection at a later time.

There is parking for about 50 cars adjacent to cellar door with overflow available elsewhere on the property.

Following RSA procedures, we are happy for guests who are not able to drive home to leave their cars on site overnight.

We ask that the cars be removed from the parking area in front of the cellar door by 10.30am the next day to allow for use by our Cellar Door customers. Please have your guests advise a staff member if you are leaving a vehicle overnight so access to the property can be arranged the next day as the property is secured and alarmed overnight.

We would love to discuss your plans further so feel free to contact Julie our Function and Events Manager to arrange a meeting.

If you have any further queries please contact us via email at events@saintaidan.com.au or call 0448800463.
